ABOUT COMPANY

PT. AISYAH CAHAYA NUSANTARA

PT Aisyah Cahaya Nusantara is an international Trading & Manufacturing company founded in Indonesia. We are engaged in the procurement, processing, marketing, trading and supply of various types of fish, **especially Mackerel, Pomfret, Scallop, Lobster, Red Snapper, Grouper, Swordfish, Milk Fish, Tilapia, and Crab Meat.**

We have **Cold Storage in the East Java Area of Indonesia**, our advantage is that you are always ready stock and you can stuff from **our cold storage** which is **strategically** located at a port that *is integrated with customs and quarantine, speeding up all forms of import and export permits and documents.*

We share strong, value-based relationships with our business partners and clients. With our deep product knowledge and commitment, we aim to provide high quality products at affordable prices to our loyal buyers.

we have a capacity of 2 containers / month on each item

Immediately determine your product choice and be prepared to collaborate with us, you will experience the best service that you will not get anywhere else.

VISSION & MISSION

VISSION

Become a Lighthouse of World Export Commodities.

MISSION

Producing quality processed fish products in large quantities to supply world market needs.
